TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

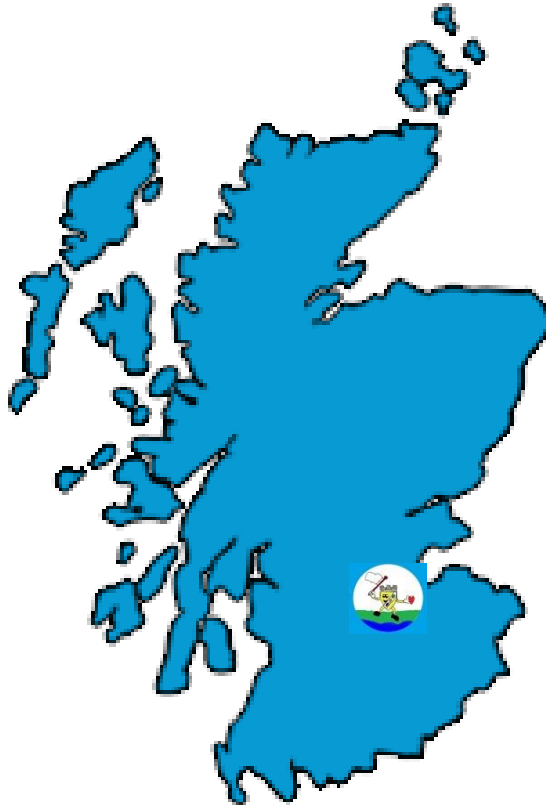

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

EDINBURGH, SCOTLAND

You've reached the capital of Scotland.

To continue your journey, you should be able to:

State the number before/after a given number between 0-10.			
Say how many objects without counting from one to 10 (subitising) - use dot cards or concrete materials for this.			
Count forwards and back from 0-20.			
State the number after a given number 0-20.			
State the number before a given number 0-20.			

Dear Parents/Carers,
Please sign if you have seen or heard your child be
successful in the following activities.

Thank You
