TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

FRANCE , EUROPE

Bonjour! You've made it to France.
