TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

GERMANY , EUROPE

Hallo, you've reached Germany.

To continue travelling, you should be able to:

Know by heart all multiplication facts for 5 x table			
Know by heart all division facts for 5 x table			
Know by heart all the multiplication facts for 10x table			
Know by heart all the division facts for 10x table			
Know by heart all number bonds with 100 for numbers ending in 0			
Quick mental recall of addition and subtraction within 20 Eg. $9 + 5$ $13 - 7$			

Dear Parents/Carers,
Please sign if you have seen or heard your child be
successful in the following activities.

Thank You
