TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

ICELAND , EUROPE

You continued North and have landed in Iceland!

To continue travelling, you should be able to:

Calculate near doubles using my knowledge of doubles eg,. $14 + 15$, $30 + 321$, $150 + 151$			
Know by heart all multiplication facts for 7 x table			
Know by heart all division facts for 7 x table			
Know by heart all multiplication facts for 9 x table			
Know by heart all division facts for 9 x table			
Recognise multiples of 2, 5 , 10 up to 100			

Dear Parents/Carers,
Please sign if you have seen or heard your child be
successful in the following activities.

Thank You
