TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

UNITED STATES OF AMERICA

You travelled South to the USA.

To continue travelling, you should be able to:

I can partition into 5 and a bit when adding 6,7,8, or 9 Eg. $47+8 = 45 + 2 +5 + 3 = 50+ 5$			
Identify multiples of any number and can generate a sequence of multiples			
Identify factors of a number with ease. Find factors of a given number.			
Accurately give change of £5			

Dear Parents/Carers,
Please sign if you have seen or heard your child be
successful in the following activities.

Thank You
