TRAVEL ADVICE:

Bring your passport to school in your Homework folder every day.

Your teachers will monitor your exploration on a weekly basis to check your Numeracy strategies.

When you have mastered your travel targets 3 times in a row, you will have successfully "explored" the numeracy destination.

When your passport is stamped you can then travel to your next city, country or continent to learn new strategies.

AFRICA

Another new continent! You've landed in Africa.

To continue travelling, you should be able to:

Know doubles of all whole numbers to 100.			
Know halves of all whole numbers to 100.			
Multiply and divide by multiples of 10 eg. X 20/30/40 etc			
Multiply by 50 by multiplying by 100 then divide by 2			
Multiply by 25 by multiplying by 100 then divide by 4			

Dear Parents/Carers,
Please sign if you have seen or heard your child be
successful in the following activities.

Thank You
