

A Parent's Guide to Europe - Spain

This passport focuses on doubles and halves of numbers to 20, 2 times table - multiplication and division facts.

Targets	Questions/Activities
Spain	
Know by heart all doubles of numbers to 20 (1+1, 5+5, 12+12, 19+19.....)	Write out the calculations e.g. $16 + 16$. Mentally split the number and work out $10 + 10$, then $6 + 6$ and then add the total to make 32. Make digit cards to 20 - turn over a card at a time to generate numbers to double. Once confident ask "What is double 18?" etc.
Know by heart all halves of numbers to 20	Practice using materials first. Count out 20 buttons, bricks..... Share into two groups - what is half of 20? 10 ($10 + 10$) "What is half of 16?" "Half of 18?"
Know by heart all multiplication facts for 2 x table	Write out the 2 times table and make a poster to help you remember the facts. Make a full set of question cards for the 2 times table from 0×2 to 12×2 . Cut them out and lay them upside down. Turn them over and say the answer.
Know by heart all division facts for 2 x table	Practice using materials - eg. Count 16 bricks, buttons..... put objects into groups of 2. 8 groups of 2. $8 \text{ times } 2 = 16$ "What 12 divided by 2?" "What 18 divided into groups of 2?" Play 'Hit the button - division facts'.
